

## **2004 HOF Speech**

**Barb Jordan Presenter - Suzie Friedrich**

It's a great honor for me to introduce to you, my best friend for the past 23 years, Barb Jordan. When people hear her name, not only do they think of one of the best defense wings to ever play lacrosse; they think of the love, passion and respect she has for the game.

Whether it's heading the US Team selection committee, coaching at camps or working with the officials, she has unselfishly given back; because as I'm sure you're going to hear in a minute, lacrosse has given her so much. Barb has been a great ambassador for the game and we have been truly fortunate to be on the receiving end.

On behalf of your family, friends and colleagues, congratulations, Barb. This honor is well deserved and we're incredibly proud of you!
